Sister Dianne
Bergant, CSA

Join us for a contemplative Advent reflection with Sister Dianne Bergant, CSA, as she invites us to enter more deeply into the Scripture readings that shape this sacred season. Drawing from her deep knowledge of biblical theology and years of teaching and writing, Sister Dianne will explore how the prophets, psalmists, and Gospel writers awaken in us a spirit of hope, longing, and readiness for God's coming.

Sister Dianne, a Sister of St. Agnes of Fond du Lac, Wisconsin, served on the faculty at Catholic Theological Union (CTU) from 1978 to 2023. Sister Dianne has taught and lectured in various places in the United States and internationally. She is the author of numerous books and articles.
