

Small Group Principles

Group Rules:

- Cases stay in the group.
- No identifying details.
- Large group will discuss patterns, not stories.

Step 1 - Case Presentation (5 minutes)

One volunteer shares:

- Context (without identifying details)
- What feels heavy or unclear
- What they are wrestling with

Step 2 - Clarifying Questions (5 minutes)

Only clarifying, not advice.

Step 3 - Group Reflection (10 minutes)

Group responds:

- What do we affirm in how you are handling this?
- What patterns do we notice?
- Where might boundaries need strengthening?
- What interior freedom question is present?

Step 4 - Presenter Response (5 minutes)

What resonated? What feels helpful?

Step 5 - Silent Integration (5 minutes)

Everyone reflects:

“What does this surface for me in my own ministry?”

Short sharing of the insights.
